Hi Warren

I have now booked a meeting out on site at 9:30am tomorrow in Toogoom. Without remembering we had our meeting scheduled for 11:00am. Would you be able to make it later?

The site visit may involve a bit of walking as such I wonder if it will be too tight for me to get back by 11:00am?

1pm may be better for me, please let me know your thoughts.

I will read your attachment now.

Kind regards

Emily Burke
