Attachments: SARA Condition Response.pdf

Hi Ward

Is there a facility to engage with SARA at this stage over their conditions?

I see Part 6 of the **Development Assessment Rules** but they do not seem to help understand the process

And what is the time period and process?

OR

Do we just wait until the DP is issued and file and Appeal In the P&E Court and then negotiate?

My Issues are attached

Please let me know

Regards

Warren
