Good Afternoon Ward,

RE: 2112-26497 SRA application correspondence

Further to the SARA e-mail of 30 October 2024, SARA has negotiated a suite of amended conditions with the Department of Environment, Tourism, Science and Innovation (formerly Department of Environment, Science and Innovation). Deleted text is in strikethrough and new text in bold.

Where SARA proposes to amend conditions which are outside the scope of the written representations, SARA is required to obtain written agreement to issue a Changed Referral Agency Response under Section 28.2 of the DA Rules.

To assist in your review I have attached a copy of the SARA approved plan (as amended in red) plus a copy of the written representations.

Would you please review the draft SARA conditions attached and provide your written agreement via return e-mail by COB Friday 15 November 2024.

Kind Regards,

Peter

Subject: RE: 2112-26497 SRA application correspondence

Good Afternoon Ward,

Proposed RAL (1 Lot into 5 Lots) at Wilkinson Road, Tuan (2112-26497 SRA) – written representations

Pursuant to 28.4(a) of the DA Rules, SARA intends to change its Referral Agency Response.

In relation to the written representations (attached), SARA provides the following clarification on the SARA approved plan:

- the blue area within Proposed Lot 5 on the SARA approved plan indicates the 50 metre buffer from the mapped High Ecological Significance (HES) wetland (distance of this buffer is based on the subject site being located within the Low Density Residential Zone under the *Fraser Coast Planning Scheme 2014*)
- the red area within proposed Lot 5 represents the mapped erosion prone area
- all SARA conditions relate purely to the subject site and do not have any bearing on adjoining allotments, including Lot 915 on FY1775

To assist SARA in assessing your written representations and issue a Changed Referral Agency Response, would you please clarify:

- which conditions you are seeking to delete
- which conditions you are seeking to amend (proposed text to be deleted in strikethrough and new text to be included in bold)

Would you please provide the requested information to SARA by COB Friday 1 November 2024.

If you have any queries please contact me.

Kind Regards,

Peter
